

## NOTICE OF AUTHORIZATION IN TERMS OF THE BIOCIDAL PRODUCT REGULATION

04/10/2016

In exercise of the powers conferred by the Legal Notice 348 of 2013 and Regulation (EU) No 528/2012 concerning the placing of biocidal products on the market, the Technical Regulations Division of the Malta Competition and Consumer Affairs Authority hereby acknowledges the authorisation of the following biocidal product.

**PRODUCT:** HCl Family A (Harpic Power Plus Lavender, Harpic Power Plus Original, Harpic Power Plus Citrus Fresh)

**ACTIVE INGREDIENT:** Hydrochloric acid

**PRODUCT TYPE:** 2

**IDENTITY OF APPLICANT:** RB UK Commercial Ltd

**REGISTRATION REFERENCE NUMBER:** 2014-05-29-B01a

### APPROVED PACKAGING SIZES:

Type: Bottle

Material: Plastic: HDPE

Size: 500 mL, 750 mL, 900 mL, 1000 mL

### Subject to the conditions set out below:

- (a) **Label:** Products to be sold or supplied with the draft labels attached to this document. Any amendments to the label should be approved beforehand by the Head of the Technical Regulations Division of the Malta Competition and Consumer Affairs Authority.
- (b) **Product Composition:** Product to be sold or supplied in the composition approved by this authorization. The composition should be the same as approved by the Reference Member State; unless the change is minor and does not significantly change the properties of the product. Such a change has to be approved by the Technical Regulations Division of the Malta Competition and Consumer Affairs Authority.
- (c) **Retail Packaging Sizes:** Products to be sold or supplied in the retail packaging sizes specified in this authorization. Any modifications should be approved beforehand by the Technical Regulations Division of the Malta Competition and Consumer Affairs Authority.
- (d) **Placing on the Market:** Products shall only be placed on the market by authorized dealers as specified in the Legal Notice 348 of 2013 (as amended).
- (e) **Entry into Malta:** The Technical Regulations Division of the Malta Competition and Consumer Affairs Authority shall be notified of any consignment of Biocides brought into Malta as specified in Legal Notice 348 of 2013.
- (f) **Renewal of Authorization:** Unless previously revoked, the authorization is renewable on application by the holder made at least three months before expiry

of the validity period. The authorization will be revoked with immediate effect upon expiry in case of failure of submission of an application for renewal.

(g) **Other:** The Technical Regulations Division of the Malta Competition and Consumer Affairs Authority may impose other conditions as deemed necessary to ensure that the conditions specified in the Regulations are satisfied.

***Information to the Applicant:***

This authorization shall not exempt the applicant and/or any other person authorised to act on his behalf from any other obligation under the Biocide Regulations or any other relevant legislation or administrative provision. It shall be the sole and exclusive responsibility of the applicant and/or any other person authorised to act on his behalf to consult the L.N. 348/2013 together with its relevant amendments.

Failure to provide any supporting documentation, as may be required by the Technical Regulations Division, in accordance with the Biocides Regulations, shall constitute an offence under those regulations.

The authorisation holder is reminded of the obligation to submit a fresh application in the event of any change in the composition of the product and/or its labelling.

Without prejudice to Decisions already taken pursuant to L.N. 348/2013 of the Biocides Regulations, an authorization shall be cancelled if it is established that the requirements for obtaining the authorization are not or are no longer satisfied, or that false or misleading particulars were supplied concerning the facts on the basis of which the authorization was granted, or it shall be modified if it is established that on the basis of developments in scientific and technical knowledge the manner of use and amounts used can be modified.

## POWER PLUS

**NEW Harpic Power Plus 1 Minute Action Formula\*\***  
The first and easy way to get that Harpic sparkling clean toilet in just 1 minute. Its advanced clear colour changing formula:  
➤ Quickly dissolves toilet stains such as limescale and rust  
➤ Changes colour in the water while the formula is working  
Apply the liquid, wait 1 minute, brush, flush & it's done!

### Toilet Bowl Cleaner

#### Usage Instructions & Directions

1. Lift up the toilet seat and carefully direct the nozzle under the toilet rim.
2. Squeeze and apply slowly all around the inside of the bowl, allowing enough liquid to cover the bowl completely.
3. Wait for 1 minute for the formula to work for 10 minutes, then brush and flush.
4. For killing all germs leave for 60 minutes, then brush and flush.
5. Suitable for all toilet bowls except stainless steel.
6. Safe to use on any surface in contact with any surface other than the toilet bowl.

**To remove cap:** Squeeze pads on sides of the cap and unscrew. To replace cap: Screw on tightly till you hear a click.

#### Precautions

- Keep out of reach of children.
- Read label before use.
- Do not breathe vapours.
- Do not swallow.
- Wash hands thoroughly after handling.
- IF ON SKIN: Wash the gloves, eye and face protection contaminated clothing. Rinse skin with water.
- IF IN EYES: Rinse cautiously with water for several minutes. If contact continues, call a POISON CENTER or doctor.
- IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
- IF SWALLOWED: Do not induce vomiting.
- If medical advice is needed have product container or label at hand.
- Dispose of contents according to local, national, or international regulations.
- Store locked up.

#### DANGER

**Harpic Power Plus Lavender, Contains Hydrochloric Acid.**
