

## COMMENTS ON AN ANNEX XV DOSSIER FOR IDENTIFICATION OF A SUBSTANCE AS SVHC AND RESPONSES TO THESE COMMENTS

**Substance name:** Diisohexyl phthalate

**CAS number:** 71850-09-4

**EC number:** 276-090-2

**The substance is proposed to be identified as meeting the following SVHC criteria set out in Article 57 of the REACH**

**Regulation:** Toxic for reproduction (Article 57c)

***Disclaimer:** Comments provided during public consultation are made available as submitted by the commenting parties. It was in the commenting parties own responsibility to ensure that their comments do not contain confidential information. The Response to Comments table has been prepared by the competent authority of the Member State preparing the proposal for identification of a substance of very high concern.*

### PART I: Comments and responses to comments on the SVHC proposal and its justification

#### General comments on the SVHC proposal

None

#### Specific comments on the justification

Number / Date	Submitted by (name, submitter type, country)	Comment	Responses
5328 2019/10/09	ChemSec, International NGO, Sweden	ChemSec agrees to the inclusion of diisohexyl phthalate to the Candidate List based on its agreed classification as a reprotoxic chemical 1b.	Thank you for your support.
5330 2019/10/11	Health and Environment Alliance (HEAL), International NGO, Belgium	The Health and Environment Alliance (HEAL) thanks Sweden for proposing the identification of diisohexyl phthalate as SVHC based on article 57(c) and fully supports this identification.  A 2017 RAC opinion recommended a classification of the substance as toxic to reproduction 1B under the CLP regulation and the substance is included in the	Thank you for your support.

		14th ATP to the CLP regulation, which was adopted by the European Commission at the beginning of October 2019. Therefore we consider that the conditions are met for the proposed SVHC identification to proceed as soon as possible.	
5338 2019/10/17	CHEM Trust Europe, National NGO, Germany	CHEM Trust supports the identification of diisohexyl phthalate in the REACH candidate list owing to its classification as reproductive toxicant 1B which fulfills the criterion of article 57 c).	Thank you for your support.

**PART II: Comments and responses to comments on uses, exposures, alternatives and risks**

**Specific comments on use, exposure, alternatives and risks**

<b>Number / Date</b>	<b>Submitted by (name, submitter type, country)</b>	<b>Comment</b>	<b>Responses</b>
5338 2019/10/17	CHEM Trust Europe, National NGO, Germany	We support the viewpoint of the dossier submitter to include diisohexyl phthalate in any future regulatory grouping approach to similar SVHCs already on the candidate list.	Thank you for your support.
