On changes of the national authorisation

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 19 January 2018 received the request from Czech Republic Competent Authority for changes in expiry date of national authorisation for the “**Diffusil Repellent Kids**” with authorisation number **LV/2015/MR/002**.

LEGMC agrees with requested changes: *changes in expiry date of national authorisation*.

The authorisation of “Diffusil Repellent Kids” is valid until 18th November 2024.

This letter is integral part of authorisation of biocidal product through mutual recognition in sequence (10th of March 2015, letter No. 4-6/585).

LEGMC would like to ask **Bochemie a.s.** to notify the above mentioned information down to supply chain.
